

Chimflue are a leading manufacturer, distributor and installation business specialising in flue and ventilation solutions for the commercial and domestic markets.

We are looking for:

Contract Sales Engineers

South of England/London/Home Counties

You will be self-motivated, and able to apply yourself to solve complex customer problems with a professional approach. Your industry experience will include flue, chimney and boiler house ventilation projects from sale to completion.

Good salary package for the right person.

Call Chris Ford on 01264 332878 for an informal chat or write in to:
